

As part of Smart's belief in 'Healthy body, Healthy mind' we have committed to a new challenge. In 6 weeks Stuart, our new adviser in our Zone Financial Planning Ltd business, and [Steve Martin CFP](#) plan to be able to demonstrate their new found skill and will record the result and post on You Tube. You can follow our progress via twitter updates, @stevemartincfp and @stuartwhiteIFP or via our pages on the Smart and Zone Websites.
